Spring 2020

Wicoff House Museum Youth Advisory Council Embarks on Exciting Yearlong Project

The Wicoff House Museum Youth Advisory Council (YAC) has begun working on a yearlong museum project to study the engagement of youth in Middlesex County museums. The YAC is currently in the planning phase of the project, wherein they are contacting local museums to invite them to participate in the project, and creating a project schedule and site visit checklists. Once this is in place, the YAC will conduct 10-12 site visits throughout the year at these participating museums to speak with their staff and volunteers and to analyze their exhibits, events, community space and youth programming. Each museum will receive a customized report with recommendations from the YAC to improve their engagement with local youth.

Grant funding has been provided by the Middlesex County Board of Chosen Freeholders through a grant award from the Middlesex County Cultural and Arts Trust Fund.

The YAC is made up of 11-17 year olds who are interested in local history and historic preservation. The group meets weekly on Sundays at the Wicoff House Museum. In addition to this project, the YAC develops monthly events and programs at the museum. If you are interested in joining the YAC or otherwise volunteering at the Wicoff House, please contact Kate Nolan, Museum Specialist, at knolan@plainsboronj.com

At the end of the project, the YAC will present their findings and overall recommendations to the community. Museums from the surrounding counties, county and state preservation officials, historic preservation professionals and the general public will be invited to attend the presentation. It is the YAC’s goal to foster additional research and development in this area, and to encourage other museums to expand their youth outreach to ensure their sustainability. The final report will be submitted to peer-reviewed journals and preservation magazines to reach a wider audience with this groundbreaking study.

Mayor Peter Cantu (standing in back row), Township Administrator Anthony Cancro (pictured left of Mayor) and Director of Recreation and Community Services Lenny Celluro (pictured right of Mayor) recently met with members of the Wicoff House Museum Youth Advisory Council.

“It is wonderful to see our young residents take such an interest in local history”, stated Township Committeeman Nuran Nabi. “I will be excited to see the results of this study.”

Do you own a historic house/building in Plainsboro?

This year the Wicoff House Museum is conducting a historic resource survey of structures in Plainsboro that are at least 50 years old. A map will be created with photographs and descriptions of each historic house/building found in Plainsboro. This will assist in identifying future projects to include in applying for preservation funding. If you own a historic building, please help contribute to the survey by contacting Kate Nolan, Museum Specialist: knolan@plainsboronj.com

Did You Know?

Keith Thedinga

Did you know that Plainsboro has a new Fire Official? Plainsboro Township appointed a new Fire Official, Keith Thedinga, on January 17th. Prior to his appointment Keith was the Fire Official in the Borough of Somerville, a position he has held since 2015. Keith was also the Assistant County Fire Marshall for Middlesex County and has served in Highland Park as a

Fire Official and firefighter. Keith holds many licenses and certifications and also belongs to several professional associations.

We look forward to Keith's expertise and leadership in the oversight of the Fire Prevention Division within the Plainsboro Township Code Enforcement Department," stated Township Committeeman Ed Yates. "We are fortunate and very pleased to have a seasoned professional to serve as the town's Fire Official."

Did you know that after 30+ years, Cranbury-Plainsboro Little League will be joining forces with West Windsor Little League and their 60+ years to bring the best possible baseball, softball and tee ball program to Plainsboro, West Windsor and Cranbury? Kids will play on local fields with their peers from West Windsor-Plainsboro schools. Joint programs are offered for both boys and girls, ages 4-12, with all

levels of experience. Members of both Boards are available to answer any questions at wwll@wwll.org or sign up today at <http://www.wwll.org>

Did you know that the Township Clerk's Office is the central location for a variety of information and services needed by the public? Not only is the Township Clerk's Office responsible to maintain all records with regard to the Township's local ordinances, resolutions, public meetings and minutes; this office has many other additional responsibilities. As the local Registrar, the Township Clerk is responsible for maintaining and issuing certified copies of birth, marriage/civil union/domestic partnership and death records that occur in Plainsboro Township.

This office also processes applications for a variety of required permits and licenses such as food handling permits, raffle/bingo, liquor/solicitor permits, taxi licenses, dog/cat licenses and more. In addition, Open Public Record requests are also processed through this office. Finally, the Township Clerk is responsible for overseeing the primary, school and general elections.

Information from the Township Clerk's office is found on page 7 of the newsletter each quarter.

Township to Develop Dey Road Parcel

The Township Committee has decided to investigate the feasibility of developing the twenty acres of municipal property along Dey Road.

The property, consisting of two parcels, lies between the new development named *The Place* and the PSE&G substation. An age-restricted development, with a combination of town homes and perhaps a few single family homes, is currently under consideration.

"This is an ideal location for folks whose children are grown and wish to down-size their existing home, but still live in Plainsboro," said Mayor Peter Cantu. "The real estate market is very interested in this type of development and it's time to see what this asset can bring to the Township."

The first step in preparing a plan for the development of the property is to conduct a study to designate the parcels as an area in need of redevelopment. This will allow the Township to proceed with preparing a concept plan to solicit interest from the development community as to precise housing types, unit size, infrastructure needs, and shared amenities.

"This is an ideal location for folks whose children are grown and wish to down-size their existing home, but still live in Plainsboro"

Mayor Peter Cantu

There are also certain tax advantages the Township would enjoy by pursuing this type of development.

Once a redevelopment plan is approved, a developer can be selected to purchase the property and construct the project. Exact dates have not been determined, but a development plan should be ready by year's end.

Make Life Easier Through Online or Electronic Tax Payments

Plainsboro Township accepts online payments and preauthorized automatic debits for property tax payments.

To make an online payment, visit www.plainsboronj.com and click on the *Online Payments* icon (pictured left). Choose the option “Taxes” and follow the prompts. You can access your tax bill using your name, your address or your block and lot.

Payments can be made by credit card, e-check, or debit card. A convenience fee applies. Payment by e-check costs only \$1.05 per transaction. All debit and credit cards are assessed a fee of 2.95% of the transaction.

For a no-cost electronic option, Automatic Clearing House (ACH) payment is also available. Register with the Tax Collector’s office, and your preauthorized bank account will be debited each quarter for the amount due on your block and lot. This option is very popular because it’s free and you essentially “set it and forget it” when it comes to remembering to pay your quarterly property taxes. Email reminders are sent prior to payments being debited from the preauthorized bank account.

For questions or if you need additional information, please call the Tax Collector’s office at (609)799-0909 extension 1408 or 1409.

Summer Camp 2020

Camp registration will begin on Monday, March 2, 2020. Residents can register online at the Township website, www.plainsboronj.com or may stop at the Recreation & Cultural Center for assistance during business hours, Monday – Friday, 8:30 am – 4:30 pm as well as Tuesday and Thursday evenings from 4:30 – 8:00 pm. Camps are open to West Windsor and Plainsboro residents and children of Plainsboro-based business employees. Camp season starts June 22, 2020.

The Township’s recreational camp, Lenape Day Camp, will offer four different two-week sessions for children entering grades 1-6 in the 2020-2021 school year. Each session will have its own theme, field trip, field day, and special event. The camp also provides a variety of activities such as arts and crafts, multicultural games, fitness, science and nature, as well as swimming.

For preschool children, 4-5 years old who have not attended Kindergarten, the Pre-K Camp will also offer four different two-week sessions. Each session will have its own theme, field trip,

water day, and special event. Pre-K Camp provides a full morning of interaction for social, cognitive, and physical growth in a fun, nurturing environment.

Academic, performing arts, and sports camps are offered for various ages through partnerships the township has with non-profit organizations. Recreational Arts, Inc. will offer camps for children entering grades 1-9 which will encompass acting, singing, and dancing. WWP North Athletic Camps will offer academic camps such as: Debate & Mock Trial camps and Leadership camps, as well as sports camps: basketball, football, baseball, multi sports, and more. Plainsboro Academic Camps, LLC will be offering Science Olympiad and a Math Camp. New this year is fencing camp run by Wang Lei International Fencing Club.

Details regarding summer camps can be found on the Township website, under the Recreation Department.

Founders Day 2020 - - Lock in the Date!

Join us on Sunday, May 3rd for Founders Day, the celebration commemorating Plainsboro’s birthday. Festivities begin at 12:30 pm with a parade starting at Waters Edge Park, traveling along Edgemere Avenue and Plainsboro Road, and ending at the municipal complex. Enjoy live entertainment, music, dance, magic, super inflatables, exhibits, local history, and more. Food and beverages will be available for purchase from local non-profit groups.

Plainsboro Road, in front of the municipal complex, will be closed throughout the afternoon. Parking will be available across the street at the Enterprise Office Center and traffic updates will be posted at www.plainsboronj.com For event information, call Recreation and Community Services at 609-799-0909 x1719. For traffic and parking information, contact the Police Department Traffic Bureau at 609-799-2333.

Rain date is Saturday, May 9th.

Take Me Out to the Yankees Game!

Plainsboro Recreation and Community Services is teaming up with the 27-time World Champion New York Yankees for an outing at Yankee Stadium on Sunday, June 7th!

Special pricing is offered with seats on the main level starting at \$60. This price includes a regular-sized hot dog or chicken tenders, french fries, one beverage and transportation on a spacious Coach bus to and from the stadium.

The Yankees will play the Tampa Bay Rays; game time is 1:00pm.

Interested? Call the Recreation and Community Services Department at 609-799-0909 ext. 1719. A staff member will take down your information. Once we have enough interest you will be contacted with additional details.

Public Swimming Pools – What You Should Know

It is important to understand the requirements for opening a public pool and the delays that can result from poor planning. Plainsboro Township has many registered public swimming pools and spas that are inspected annually by the Code Enforcement Department. Most of these pools are located outside and are targeted to open for the season in time for Memorial Day weekend and people look forward to this ceremonial ‘start of summer’.

Plainsboro’s ordinance, Chapter 88 of the Township Code Book, lists the technical requirements for public swimming pools. Pool registrations must be filed each year with the Code Enforcement Department by March 31st. Applications may be submitted electronically by visiting the Code Enforcement’s Building Division webpage at www.plainsboronj.com.

This allows the Department to ensure that by the time the pools open to the general public, all appropriate inspections have been conducted. Inspections are performed by the Health Officer, Electrical Subcode Official, and the Fire Official. Additionally, there is an electrical bonding and ground-

ing certificate that is provided as a result of an independent electrical inspection. This certificate is valid for five years, and is kept on file in the Code Enforcement Department. Once all inspections are approved, the Code Enforcement Department issues a Certificate of Compliance that is valid for one year.

“The challenge we face every year inspecting the public swimming pools is trying to accommodate the inspection requests in a very short timeframe”, stated Brian Miller, Director of the Code Enforcement Department. “Despite the information our office sends out in February to the various Associations and Property Management companies, the majority of our inspections are performed in the two weeks prior to the holiday weekend. Owners/Property Managers should register their pools/spas early and schedule an inspection to ensure the public pools are safe and that they can open on time.”

If you have any questions about the registration or inspection process, please contact the Code Enforcement Department at buildingdivision@plainsboronj.com or (609) 799-0909, extension 2545.

Plainsboro Community Garden

For over 15 years the Plainsboro Township Community Garden has provided the opportunity for residents to plant and harvest their own fruits, vegetables, herbs, plants and flowers. The garden contains 58 garden plots, each measuring 20 feet by 20 feet, water and a composting bin. Each season, residents are assigned a plot and in order to maintain a cordial environment, a set of rules. Planting season begins in April and ends in November.

In 2020, it’s Plainsboro’s intention to make several improvements to the garden. First, handicap access garden planters are scheduled for installation on the newly renovated parking lot. Second, a new deer fence is proposed for the perimeter of the

garden. “A new deer fence would greatly benefit the gardeners by prohibiting deer from eating their plantings and make individual garden plot fences unnecessary,” states Township Committeeman David Bander.

The garden is located on the south side of Plainsboro Road at the base of the railroad bridge.

If you’re interested in learning more about the garden or to see if there are plots available, contact the Department of Public Works at 609-799-0099.

We're Going Camping!

Plainsboro Recreation and Community Services is hosting the first “Family Camp Out” on the Municipal Grounds on Friday, June 19th. Come out and join us for the kick off of our Summer Blast Movies in the Park Series,

but the fun won't end when the movie does! Bring your tent and sleeping bag for a night under the stars. Enjoy a bonfire and s'mores! In the morning enjoy a light breakfast as we begin the summer season.

Environmentally Friendly Lawn Maintenance and Proper Watering Techniques

Maintaining a healthy lawn in an environmentally friendly manner is not difficult, but requires a change of thinking for most people. The following information provides assistance in making this change.

The New Jersey Department of Environmental Protection (NJDEP) recommends keeping the height of a lawn between 2 ½” – 3 ½” high. Keeping the grass at this height shades the soil, cools the roots and prohibits weed growth.

A healthy lawn does not require the overuse of chemicals or water. Research shows that grass clippings can provide up to 25% of your lawn's total fertilizer needs. When grass clippings decompose they deliver nitrogen and other organic material to the soil. As a result, you can annually decrease the amount of fertilizer used on your lawn. A common myth about grass mulching is that it creates thatch; this is false. According to the NJDEP, thatch is formed from the accumulation of dead roots and stems. Instead of bagging your lawn clippings, mulch them!

Proper watering techniques are essential for a healthy and good looking lawn. Following are simple methods to efficiently and effectively water your lawn:

- Water your lawn in the early morning, many experts believe between 4:00 am – 10:00 am is optimal.
- Water your lawn only twice per week; too much watering can lead to fungus and shallow roots.
- Use a timer when watering your lawn so that you do not forget to turn off the water.
- Don't water your lawn while it's raining or immediately after it rains.
- A typical lawn needs 1 – 1 ½” of rain on a weekly basis. Learn how long it takes for your lawn to obtain and percolate this amount of water.

These are only five simple tips. While there other ways to improve your lawn, proper mowing and watering are extremely important.

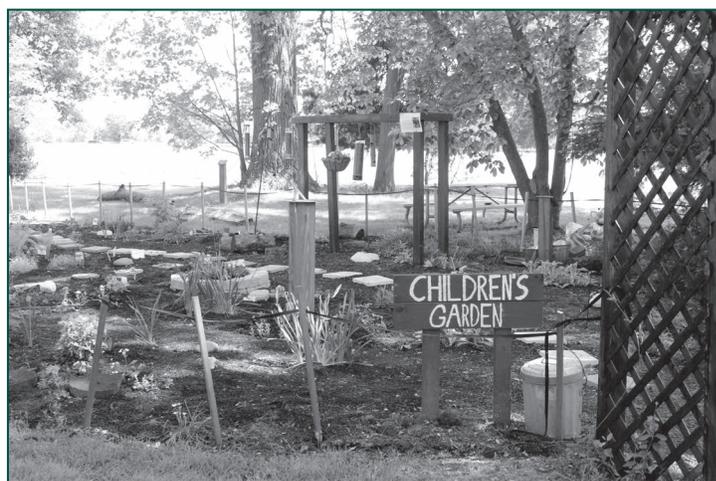

“Grass mulching and proper watering techniques are an easy way for residents to help protect Plainsboro's environment while maintaining their lawn”, states Township Committeeman David Bander.

A Garden Continues to Grow...Thanks To Our Volunteers!

Over the past few years, we have been able to transform the Children's Garden area at the historic Wicoff House Museum into a tranquil and natural area thanks in part to several scouts and their troops. The children's garden has been enlarged, signage was added, along with a bird feeding station, benches, an arbor, a “Free Little Library” and a separate Pollinator Pitstop. Our newest addition is an information kiosk that was added over the winter.

We would like to thank the following scouts and troops who have provided us with their vision, talent and hard work: Adam Scherr, Nikhil Ramakrishna and Sharatt Seenivasan from Boy Scout Troop #759, Yousef Maner from Boy Scout Troop #114, Sneha Deepak and Shrinithi Seenivasan from Girl Scout Troop #70051 and Grace Parker of Girl Scout Troop# 70629.

Please stop by and take a walk through the garden or feel free to borrow a book from the “Free Little Library”.

A photo of the Children's Garden located just outside of the historic Wicoff House Museum.

New Kiosk Allows Citizens Easier Access to Police Information

The Plainsboro Township Police Department announces the arrival of our self-service kiosk located in the lobby of Police Headquarters. The implementation of a self-service kiosk allows residents a quick and easy method to obtain police reports, program information and other community functions. Not only will the kiosk allow residents easy

access to police information, but it will also free up police and dispatch resources that can then be applied to other law enforcement functions. The kiosk will add to the Departments' overall goal of focusing on community relations, outreach and technological advancement.

Operation Take Back

The Plainsboro Township Police Department is proud to announce that they are continuing their partnership with the Drug Enforcement Agency's Operation Take Back initiative. Anyone who has old or unwanted prescription or over the counter drugs may drop them off at the dispensary located in the police lobby 24 hours a day. This is an appropriate way to keep drugs from being stolen or taken by children who come across them. Deputy Mayor Neil Lewis stated, "The continuation of this partnership will help combat the overwhelming problem of drug misuse and abuse.

It is important to have a safe disposal method for old and unwanted medications. I encourage everyone to go through their medicine cabinet on a regular basis and take advantage of this program."

The police department will also participate in *National Take Back Day* in April. Visit the township website www.plainsboronj.com or any of the Plainsboro Police Department social media sites (on Twitter, Facebook, and Instagram) for more information as it becomes available.

2019 Officer of the Year

Plainsboro Police Chief Fred Tavener is proud to announce that Detective Tim McMahon was named Plainsboro Police Department's 2019 Officer of the Year. Chief Tavener stated, "Detective McMahon has been an outstanding member of this department for 11 years, and this award is well deserved."

In January, 2012 Detective McMahon was assigned to the Detective Bureau and for the past 8 years he has been a lead investigator on several incidents and different crimes. He has developed into a strong all-around investigator by mastering skills such as crime scene processing, evidence collection and conducting interviews. He has also been at the forefront of several of the department's community outreach programs.

Detective McMahon joined the Plainsboro Township Police Department in August 2009 after graduating from the Mercer County Police Academy as an alternate route cadet in January, 2009. He was assigned to the Patrol Division where he excelled in his daily patrol duties. During this time he also showed an interest in following up on cases, and investigations. In 2016 Det. McMahon completed his Master's Degree program through Fairleigh Dickinson University.

Detective McMahon created a partnership with Princeton Alliance Church that has resulted in the creation of programs for underprivileged children and families in the area.

Deputy Mayor Neil Lewis stated, "On behalf of the Township Committee we would like to congratulate Detective McMahon on winning 2019 Officer of the Year. Detective McMahon has provided a high level of service to our community and has certainly earned this award."

Back by Popular Demand – Plainsboro's Youth Police Academy

This week-long academy will be offered to Plainsboro middle school students again this summer (exact date to be determined). Each academy recruit will undergo instruction in drill and ceremony, physical training and basic police practices and procedures. Recruits will also learn about crime scene investigations from our Detective Bureau and collision investigations from the Traffic Safety Bureau. Details and registration information will be available shortly and can be found on the Township website under the Recreation Department.

*Located at 75 Bayard Street, New Brunswick

Pet Licenses

New Jersey State law mandates that all dogs six months of age or older be licensed. Applications are available for all new pets in the Township Clerk's Office at 641 Plainsboro Road. Proof of rabies vaccination must be submitted with the application. According to state regulation, when licensing, the rabies vaccination immunity must extend through at least ten (10) months of the 12-month licensing period. Therefore, licenses cannot be issued if the rabies vaccination expires before November 1st of each year. If for any medical reason the animal cannot be vaccinated in the required time, form VPH-28 must be completed by the veterinarian and submitted with the form. Submit a copy of the spay/neuter certificate, if applicable. The license fees are \$13.20 for spayed/neutered animals and \$16.20 for non-neutered animals. Late fees of \$5.00 per month are assessed as of February 1st.

If you missed the Township Rabies Clinic in November please contact the Middlesex County Public Health Department at (732) 745-3100 for the listing of the county scheduled clinics held in the surrounding municipalities.

Vital Records

Vital records such as birth, marriage/civil union and death certificates are issued through the Township Clerk's Office. For information regarding requirements, contact the office or visit the township website at www.plainsboronj.com.

Public Works Department 799-0099

Conservation & Recycling Center

Currently, the center is open on Saturdays from 10:00 am – 2:00 pm. As of April 1st, the center is open Mondays and Thursdays from 5:30 pm – 7:30 pm and Saturdays from 10:00 am – 5:00 pm.

Brush Collection Guidelines:

- *Must be curbside by 7:00am the first Monday of the month designated for your street ONLY. No brush should be placed in the street or on sidewalks and no closer than 10' from any catch basin.*
- *Brush left curbside during non-scheduled months is subject to fines and removal costs.*
- *Trimming from trees, shrubs and vines accepted (max. 6 feet length and 5 inches diameter)*
- *NO trash, roots, stumps, soil, grass and leaves*
- *Brush shall be neatly placed parallel to the road with limb ends facing the same direction.*
