

Notice Advisory

2020-2021 Plainsboro Township Municipal Deer Management Program

Plainsboro Township will conduct a deer management program at the Plainsboro Preserve from September 12, 2020 through February 20, 2021, consistent with State regulations. The managed deer hunt is NOT a recreational hunt and is intended to reduce the deer population to minimize widespread vegetation damage to the Preserve and the surrounding environs. **The deer management program is open only to State licensed participants who have applied and have been accepted into the program.**

The Plainsboro Preserve will be open to the general public and hunters on select days throughout the fall bow, permit bow and winter bow seasons (September through February). The Plainsboro Preserve will close to the general public on select days during permit muzzleloader, firearm and permit shotgun season (November, December, January and February). Hunting will take place on Mondays, Tuesdays, Wednesdays and several Saturdays through the season. No hunting will take place on Sundays, Thursdays or Fridays.

During the Plainsboro Preserve hunt, the township is asking visitors to the Preserve to kindly keep their recreating to the marked/known trails. Please note that the park is **CLOSED** on the following dates:
