A Quarterly Township Newsletter

Fall 2020

An Open Letter to Plainsboro Residents

Dear Plainsboro residents:

We are writing to you regarding the recent difficult times our nation is facing related to injustice, inequality and fairness.

As you know, Plainsboro is a very diverse community. Our Township Committee has always seen diversity as one of the great strengths of our town. The Committee embraces and celebrates that diversity, and works to ensure we are one community, united to create an environment that is a desirable place to work, live and raise a family. We have actively been implementing this plan for many, many years, and we continue to work at it on a daily basis.

We are proud our police department follows all of the policies, procedures and guidelines established by the New Jersey Attorney General. As you may know, Governor Murphy announced his Administration's goal of strengthening trust between police officers and the communities in New Jersey. As such, Attorney General Grewal is undertaking significant policy changes to promote the highest professional standards, including use of force reforms. We support those reforms, and in many cases, our current policies and procedures represent the best practices in policing already.

Further, our police department has been accredited by an independent organization that assists law enforcement agencies to improve their overall performance by implementing best practices. Achieving accreditation status represents a significant professional achievement and acknowledges the implementation of policies and procedures that are sound and operationally effective. Also, please visit <https://www.facebook.com/>

Plainsborotownshippolicedepartment/ to view a letter from Police Chief Fred Tavener.

We are steadfast in taking whatever steps are warranted by implementing policies and actions to ensure our residents can continue to live in a welcoming community where all of our residents are treated with respect and, in return, respect one another.

We must all be agents of change, and commit ourselves to that objective.

Sincerely,
Plainsboro Township Committee

The new Asian Food store in the Plainsboro Plaza Shopping Center prepares for an August 5th opening.

Did You Know?

Did you know that disposable masks and gloves are now becoming a source of pollution? In April the Centers for Disease Control and Prevention recommended that Americans wear face masks to help prevent the spread of COVID-19 and not long after, Governor Murphy issued an executive order mandating that face coverings be worn in public settings in New Jersey. Now, people across the country are finding used masks, gloves and disinfectant wipes littering store parking lots. In New Jersey, discarded personal protective equipment (PPE) has also been found in gutters, on jogging paths, in parks as well as in parking lots.

Another disturbing trend is the heightened presence of discarded PPE in our waterways. In addition to potentially being a biohazard, used masks and gloves are neither recyclable nor biodegradable. Officials warn that they can easily be swept into storm drains then end up in oceans and waterways. That in turn raises the risk that they're mistaken for food and eaten by turtles, marine mammals or seabirds, all of which have been known to ingest plastic gloves. Further, once in the waterway, the plastic slowly degrades into micro-plastic introducing toxins into the marine ecosystem.

For these and other reasons it is important to remember to dispose of used PPE in your home garbage or in a wastebasket when in public.

Did you know that Fire Prevention Week is October 4th through 10th? Fire Prevention Week originated in 1922 to commemorate the Great Chicago Fire of 1871 where roughly 300 people lost their lives, 100,000 were left homeless, 17,400 structures were destroyed, and over 2,000 acres were burned. President Calvin Coolidge was the first President in the nation to sign a proclamation recognizing the occasion.

According to the National Fire Protection Association (NFPA), this year's theme is **"Serve Up Fire Safety in the Kitchen!"** The goal this year is to educate everyone about the simple but important actions they can take to keep themselves, and those around them, safe in the kitchen.

The NFPA reports that cooking is the #1 cause of home fires and home fire injuries and unattended cooking is the leading cause of fires in the kitchen. Scald burns are the second leading cause of all burn injuries. Hot liquids from coffee and even microwaved soup can cause devastating injuries. Additional information on fire safety public education and fire prevention week is available on the NFPA website at <https://www.nfpa.org/>

Did you know that Middlesex County has placed an official ballot drop box at the municipal complex? Voters who prefer to 'vote by mail' now have another method of submitting their ballot. Prior to the Primary Election, Middlesex County placed an official ballot drop box at the plaza of the municipal center. The box will remain in this location indefinitely, but certainly through this year's General Election.

COVID-19 Visitor Requirements to Enter Municipal Building*

- Visitors must wear a mask in municipal buildings
- Maintain a distance of at least 6 feet between employees and visitors
- Only one visitor is allowed at office counters at any time
- When possible, interactions with employees should be done via phone, email, or by other virtual means
- If you are feeling ill, caring for an acutely sick family member, come into contact with an acutely sick individual, or have COVID symptoms, PLEASE DO NOT ENTER THE BUILDING

*Modifications may occur if circumstances change

Development Around Town

A 109-acre parcel of land owned by Princeton University and located in the northwest corner of the township recently underwent an extensive land use effort by the Plainsboro Township Planning Board. The property, known as ‘The Nurseries’, is seeking General Development Plan (GDP) approval by the planning board. The GDP would set the parameters for development, including such things as the number/type of residential units, street dimensions, commercial building size, land to be earmarked for parks, etc. Following a GDP process makes development predictable, allowing impacts to be realized beforehand.

Township Committeeman and Planning Board liaison Ed Yates remarked, “careful consideration was given during the development of the concept plan that takes advantage of the Route One interchange that was constructed in anticipation of developing this property.”

Originally zoned to accommodate approximately two-million square feet of office development, the new GDP vision for the property is a mix of single-family, townhome, and apartment residential units, retail and other commercial uses such as a hotel and office space, and a significant amount of open space equal to about 32-acres with recreation trails. The centerpiece of the development concept is a main street filled with ground floor

shops with apartments or offices on the second floor and an active open green town square – a true mixed-use development.

“The Nurseries represents the largest land development project in decades and likewise, has been decades in the making”, remarked Mayor Peter Cantu when describing the breadth of the project.

Other developments around town include the 260 unit apartment project near the hospital known as Ovation at Riverwalk which recently opened for occupancy. Models have been open since mid-summer for the adjacent 45 unit townhome project known as Riverview.

An assisted living-memory care facility known as Maplewood has also taken shape and is anticipated to open next spring. There is also a new medical office building under construction on Forrestal Road South. This is the companion building to the existing medical office building at 10 Forrestal Road South.

Lastly, the Township is moving ahead with plans to develop the twenty acres it owns on Dey Road between The Place and the new PSE&G substation. This property is designed for age-restricted residential development.

Plainsboro Recreation Director Appointed Association President

Plainsboro’s Director of Recreation and Community Services, Leonard Celluro, Jr., has been named the new President of the New Jersey Recreation and Park Association (NJRPA). Celluro was sworn into office in June 2020 by Mayor Peter Cantu.

According to Mayor Cantu, “Lenny has been a valued member of Plainsboro Township’s management team since 2013. Under his leadership, Lenny has assembled a team of innovative and creative staff members who are oriented to change and capable of meeting the demands placed on the department now and in the future”, stated Cantu. “He will make an excellent NJRPA President”.

Lenny’s career in Parks and Recreation began over 30 years ago in the Montclair Recreation Department. From there, he became Bloomfield’s Recreation Director. Since his time in Bloomfield, his career has taken him to Hanover Township as Director, Great Neck Park District on Long Island as Executive Director and finally to his current position as the Recreation and Community Services Director in Plainsboro Township.

Lenny has been a valued member of NJRPA for over 30 years. He has held the offices of President Elect in 2019, Vice President in 2010 and 2016, District Chair in a number of dis-

tricts and District Coordinator from 2017- 2019. In February 2020, he was awarded the distinguished Michael B. Berman Award for Administrative Excellence by NJRPA.

Presenting the Michael B. Berman Award for Administrative Excellence to Lenny Celluro (center) this year at the NJRPA Annual Awards banquet are (left to right) Tom Morris, Director of Recreation South Brunswick; Romayne Eaker-Kelly, NJRPA President, Tim Roetman, NJRPA Awards Co-Chair and Karen Zimmerman NJRPA Awards Co-Chair

Property Tax Payment Options

The fourth quarter installment for property taxes is due November 1, 2020, with a 10 day grace period ending on November 10, 2020. In an effort to minimize personal contact and mitigate the spread of COVID-19, following are ways in which residents can make property tax payments:

Relocated Tax Collection Drop Box: The tax collection drop box was relocated to the municipal building police entrance vestibule. It is available to the public at all times. Contents are cleared twice per day and no stamp is necessary. Please **DO NOT** place cash in the tax collection drop box.

Online Payments: Online tax payments are accepted. Visit <https://wipp.edmundsassoc.com/Wipp/?wippid=1218> for more information. The fee to pay by E-check is \$1.05.

Credit card payments are assessed a service charge of 2.95% of balance paid that goes directly (100%) to the credit card provider.

Direct Withdrawal: Direct withdrawal via ACH from your checking or savings account is also available. It is FREE and an email is sent informing you of the withdrawal date. An authorization form is available at <https://www.plainsboronj.com/DocumentCenter/View/55/Automatic-Debit-Authorization-Form-PDF?bidId=>

To reach the tax office with any questions or concerns about payment methods, due dates, etc., call 609-799-0909 x2546 or email Taxcollection@PlainsboroNJ.com

Leaf Collection Reminders

As the fall season approaches, we provide this helpful reminder regarding the Township's Leaf Collection Program.

Beginning in the middle of October and lasting through the beginning of December residents can rake their leaves to the curb/edge of pavement adjacent to their residence, but not more than seven days prior to their zone's scheduled collection. Residents are encouraged to keep their leaves at the curb, not in the street. Leaves raked in the street can inhibit drainage during rain storms and create traffic hazards.

Leaves cannot be placed closer than ten feet to any storm drain inlet and leaves cannot be mixed with any other debris. Leaf piles mixed with debris will not be collected by the township.

Residents who do not want to wait for their scheduled collection may bring their leaves to the Plainsboro Conservation Center, located off Grovers Mill Road. Please check our website for the Center's hours of operation. Residents using a contractor for the disposal of their leaves must notify the Department of Public Works at least one (1) business day prior to delivery.

"The Conservation Center is a great resource for residents who need to dispose of their leaves outside of the township's normal collection schedule," stated Township Committeeman David Bander.

See page 7 for a leaf collection schedule, which is divided into sections and listed by road alphabetically, or visit our website at www.plainsboronj.com

Bulk Waste Day Scheduled for November 7th

The final bulk waste day of 2020 is scheduled for Saturday, November 7th from 8:00am to 5:00pm. Residents can dispose of various household items at the Plainsboro Recycling/Conservation Center located off of Grovers Mill Road. Items accepted include: white goods, bicycles, lawn mowers, furniture, wood scrap and other bulky items. Regularly recycled items are NOT accepted (cardboard, plastic bottles/cans and metal bottles/cans). Construction/demolition debris is NOT accepted either but residents are allowed to dispose of small quantities of masonry and paving items. Proof of residency is required.

For more information contact DPW@Plainsboronj.com or 609-799-0099.

Township Awards Contract for Third Round of Energy Aggregation Program

The Township has recently awarded a contract for the third round of the Plainsboro Community Energy Aggregation (“PCEA”) program, under which it has signed a contract with Energy Harbor, LLC that will offer township residents a renewed opportunity to save money on their electric bills.

For this 3rd round PCEA program, the power supply procured by the township includes approximately 43% renewable energy content, which is more than twice the renewable energy content of PSE&G-provided supply as mandated by the state. The 19-month contract will begin in October 2020 and includes a contract price of .12250/kwh. Eligible residents began receiving packages in the mail from Energy Harbor in August with specific program details.

“We are pleased that round three of the PCEA will again save our residents money and have a greater amount of renewable resources as the fuel source”, stated Mayor Peter Cantu.

Community Energy Aggregation is based on a state law that allows a municipality to conduct a “bulk purchase” of energy supply on behalf of its residents, at prices lower than the average utility price. New Jersey regulations allow municipalities to take this approach to procure energy savings on behalf of

their residents. At the beginning of the PCEA program, in 2016, the township retained Gabel Associates as the Township’s Energy Consultant, (at no cost to the Township), to assist with the implementation of the procurement process for a third party supplier to provide power supply to its residents.

Under the program, all eligible residents (all residential customers of PSE&G in the Township except for those that already have their own third party contract or that have a solar electric generating system on their property that supplies power to their home) are automatically included in the PCEA program and will be sent a notice in the mail directly from Energy Harbor. This notice, known as the Opt-Out Notice, provides all of the details of the program as well as the various ways to opt-out of the program. Customers have 30 days to review the Notice and decide whether they wish to opt out or be enrolled by the winning supplier (Energy Harbor). Even after an electric account is enrolled, residents remain free to opt-out of the program at any time during the contract. Participation in the PCEA Program is 100% optional. There are no any fees or penalties to residents if they decide to opt-out. It is advantageous, however, for all residents to join and remain in the program as this gives the community the ‘strength in numbers’ to negotiate the lowest price for our residents.

‘Thank You’ From Plainsboro Food Pantry

“The Plainsboro food pantry operates year round and relies on the generosity of township residents and businesses to help provide food and other necessities to our neighbors in need”, stated Township Committeeman Nuran Nabi. “These past few months have been filled with concern and uncertainty, resulting in a call from many for increased assistance. But as always,” remarked Nabi, “Plainsboro staff, residents and businesses worked together to answer that need.”

The Plainsboro food pantry is fortunate to work alongside many dedicated individuals; groups, businesses, and religious organizations. Together they connected with us to make sure that the Plainsboro Food Pantry remained fully stocked and our recipients’ needs were met.

“I am both proud and humbled to be part of a community that responded so positively to the need for assistance during the COVID-19 pandemic lock-down period”, stated Erum Ladak, Food Panty Coordinator.

“Everyone involved turned their concern into action, pulled together and made certain that we got through this difficult time as one community. Donations were dropped off, orders were delivered, and monetary donations, gift cards and even e-gift cards were received. These donations were put to good use

and not only fed those with an immediate need, but helped us to replenish our shelves. Mask donations were received for our recipients, staff and volunteers as well”, Erum stated.

For more information about the food pantry, please contact Erum at eladak@plainsboronj.com or 609-799-0909 x1711.

Food Pantry Coordinator Erum Ladak (left) pauses for a photo with Sgt. Eamon Blanchard (right) of the Plainsboro Police Department. Plainsboro police partnered with Recreation

and Community Services staff to get food and other necessities to pantry recipients who were sheltering in place due to COVID-19.

Plainsboro Police Department Promotes Three Officers to Sergeant

Chief Fred Tavener is proud to announce the recent promotions of Corporal Joseph Dell Beni, Corporal Scott Beatty, and Corporal Mathieu Baumann to the position of Sergeant. Sergeants Dell Beni, Beatty, and Baumann were promoted in July after a competitive process.

Chief Tavener stated, “These officers exemplify the Department’s motto of ‘*Commitment to Excellence*’. Their contributions to our Department have been integral to its success over the years.”

Sergeant Dell Beni served as a Hunterdon County corrections officer and policeman for the New Jersey Department of Human Services before joining the Plainsboro Police Department in 2006. He is a graduate of the Trenton Police Academy and began his Plainsboro career in the Patrol Division where he demonstrated a strong work ethic and excellent investigative skills. In 2008, he was transferred to the Traffic Safety Bureau where he oversaw township events such as Founder’s Day, Haunted Tonight, and the Fall Festival. He became well versed in motor vehicle crash investigation and is certified as an expert Crash Reconstructionist. He was the program and grant coordinator for DARE, driving while intoxicated enforcement, and child safety seat programs. In 2011, Sgt. Dell Beni was named officer of the year by his peers. Shortly thereafter, in 2013, Corporal Dell Beni was promoted to Corporal where he served in both the Patrol and Administrative Divisions. Currently, Sgt. Dell Beni is the Department’s lead firearms and taser instructor. Throughout his career, he has instructed the Middlesex County Tactical Handgun training course for officers throughout the county. Most recently, Sgt. Dell Beni served as an Acting Sergeant for the Patrol Division.

Sergeant Beatty joined the department in 2008 after graduating from the Gloucester County Police Academy. Sgt. Beatty began his career in the Patrol Division where he demonstrated personal initiative in both proactive and community policing. In 2011, he was assigned to the Traffic Safety Bureau where he conducted motor vehicle enforcement and investigated serious motor vehicle collisions. In 2012, he led the Department’s IT program where he oversaw the implementation of an enhanced Computer Aided Dispatch and Report Writing System. In 2014, he was assigned to the Detective Bureau where he served as the Department’s juvenile officer and coordinated the DARE program. Recently he’s led two initiatives in the fight against opioids by developing and implementing the CARE Program and #NotEvenOnce. In 2019, Sgt. Beatty was promoted to the rank of Corporal and was assigned to the Patrol Division where he assisted in supervising and managing his squad. Sgt. Beatty has a Master’s Degree in

Administrative Science from Fairleigh Dickinson University and served as the Middlesex County Method of Instruction Coordinator for several years. Sgt. Beatty is also a department firearms instructor.

Sergeant Baumann joined the Plainsboro Police Department in 2008 after graduating from the Cape May Police Academy. He began his career in the Patrol Division where he established himself as a versatile officer with an excellent work ethic. In addition to his proactive and community policing efforts, Sgt. Baumann utilized his mechanical expertise to assist in managing the Department’s vehicles and equipment. Sgt. Baumann was reassigned to the Administrative Bureau, in 2014, where he oversaw the IT and police accreditation programs. In 2018, Sgt. Baumann was reassigned to the Detective Bureau. In 2019, he was promoted to Corporal and assigned to the Patrol Division where he assisted in supervising and managing his squad. Sgt. Baumann also serves as the Department’s lead defensive tactics instructor, and recently earned a Master’s Degree in Administrative Science from Fairleigh Dickinson University.

Deputy Mayor Neil Lewis stated, “All three of these officers have shown tremendous dedication to the police department and the residents of Plainsboro Township. The Township Committee wishes to congratulate them on their recent promotions.”

Congratulations Sergeants and best wishes for future success!

Township Clerk's Office 799-0909, extension 2547

Elections

Election	Date	Location	Polling Hours	Close of Registration (21 days prior)	Last Day to Apply for Mail-In Ballot	Last day to apply for a mail-in ballot in person to County Clerk (by 3:00pm)
GENERAL	11/03/20	By District	6:00am – 8:00pm	10/13/20	10/27/20	11/02/20

Please visit our township website at www.plainsboronj.com for the latest election information.

Pet Licenses

New Jersey State law mandates that all dogs six months of age or older be licensed. Applications are available for all new pets in the Township Clerk's Office at 641 Plainsboro Road. Proof of rabies vaccination must be submitted with the application. **According to state regulation, when licensing, the rabies vaccination immunity must extend through at least ten (10) months of the 12-month licensing period.** Therefore, licenses cannot be issued if the rabies vaccination expires before November 1st of each year. If for any medical reason the animal cannot be vaccinated in the required time, form VPH-28 must be completed by the veterinarian and submitted with the form. Submit a copy of the spay/neuter certificate, if applicable. The license fees are \$13.20 for spayed/neutered animals and \$16.20 for non-neutered animals. Late fees of \$5.00 per month are assessed as of February 1st.

To assist pet owners, a **Free Rabies Clinic** has been scheduled for **November 7, 2020** at the Plainsboro Public Works garage. Dogs are scheduled for 9:00am to 10:00am and cats are scheduled for 10:00am

Public Works Department 799-0099

Conservation Center Hours

Through December 5th, the center will be open on Saturday 10:00am – 5:00pm. From December 7, 2020 – March 31, 2021 the center will be open on Saturday from 10:00am to 2:00pm.

Brush/Leaf Collection

For the purpose of collecting curbside brush and leaves, the Township is divided into two sections.

Section 1 – Beechtree Lane, Beechwood Drive, Brentwood Lane, Bunting Court, Cardinal Drive, Chandler Court, Cottonwood Court, Cypress Court, Dennison Place, Elm Court, Falcon Court, George Davison Road, Goldfinch Court, Grace Court, Groendyke Lane, Gulick Lane, Hale Drive, Hamilton Lane N., Hamilton Lane S., Hickory Court, Holohan Drive, Keppel Road, Kinglet Drive N., Kinglet Drive S., Krebs Road, Louis Court, Mackenzie Lane, Mahogany Court, Major Lane, Mapleton Road, Marion Drive, Meadowlark Drive, Mershon Lane, Mockingbird Court, Oriole Court, Osprey Lane, Parker Road, Parker Road S., Partridge Court, Perrine Road, Pine Court, Poplar Drive, Quick Lane, Red Oak Drive, Redwood Court, Rush Court, Saylor Court, Schalks Crossing Road, Seminary Drive, Serina Drive, Silvers Lane, Simonson Drive, Spruce Court, Tanager Lane, Titus Lane, Walnut Court, Willow Court, Woodland Drive, Wyndhurst Drive, Wyndhurst North of Dey.

Section 2 – Adams Court, Alfalfa Circle, Allen Court, Amberly Road, Barley Court, Barlow Court, Barn Swallow Court, Barnyard Court, Birch Drive, Blossom Hill Drive, Bradford Lane, Brookside Court, Camas Drive, Clinton Court, Clydesdale Court, Colonial Court, Cooks Lane, Cranbury Neck Road, Daisy Court, Derry Meeting Road, Dey Road, Dickinson Court, Dogwood Drive, Drayton Lane, Dryer Court, Edgemere Avenue, Eiker Avenue, Elsie Drive, Farmhouse Drive, Franklin Drive, Gardenia Court, Grovers Mill Road, Hancock Court, Harvest Drive, Hawthorn Drive, Heather Court, Heritage Way, Heron Court, Hilltown Court, Hummingbird Court, Jeffers Road, King Haven Court, Knight Drive E., Knight Drive W., Larkspur Drive, Linden Lane, Linden Lane S., Lovell Drive, Madison Drive, Maple Avenue, Marshall Court, Mayfarth Terrace, Meadow Drive, Mifflin Court, Millstone Court, Monroe Court, Narrowsbrook Court, Nostrand Road, Okeson Street, Orchard Lane, Orchid Drive,

to 11:00am. Owners must have large dogs securely leashed. Very small dogs and cats should be in a pet carrier.

Vital Records

The local registrar is responsible for maintaining vital records of births, marriages/civil unions, domestic partnerships and deaths that occurred in Plainsboro Township. The municipality that holds the original record is the only registrar, besides the State Registrar, that can issue a certified copy.

A Certified Copy of a vital record is issued to those individuals who have a direct link to the individual(s) named on the vital record, as identified in the Governor's Executive Order 18, and provided that the requestor is able to identify the vital record and can provide proof of his identity and relationship.

For more information regarding requirements and fees, call the office or visit the township website.

Paddock Drive, Parkway Avenue, Pasture Lane, Petty Road, Plainsboro Road, Pollack Court, Pondview Road, Prospect Avenue, Railroad Avenue, Ruedemann Drive, Rutledge Court, Scotts Corner Road, Sherman Court, Silo Lane, Stanton Court, Stone Meadow Court, Stults Drive, Sullivan Street, Sycamore Drive, Trumbull Road, Walker Gordon Drive, Webster Court, Wethersfield Road, Wheatsheaf Court, Windmill Court.

Brush Collection Schedule/Guidelines

In Section 1, brush will be collected in April, June, August and October. In Section 2, brush will be collected in March, May, July and September. Brush must be curbside by 7:00am on the first Monday of the month designated for your section ONLY. Brush left curbside during non-scheduled months is subject to fines and removal costs. When using this service, please follow these guidelines:

- Stack brush lengthwise at curbside between sidewalk and curb. Do not place brush in the street or within 10' of any catch basin.
- Brush cannot exceed 6 feet in length or 5 inches in diameter.
- No roots, stumps, soil, tree logs, grass or any other debris.

Leaf Collection Schedule/Guidelines– Dates are Only Estimates– Residents will receive at least two collections

In Section 1, leaves maybe collected from October 13th through October 23rd and again from November 9th through November 25th (weather permitting). In Section 2, leaves may be collected from October 26th through November 6th and again from November 30th through December 11th (weather permitting). Leaves must be curbside for collection no earlier than seven (7) days prior to the scheduled pickup date. When using this service, please follow these guidelines:

- Leaves should be raked to the curb, no closer than ten (10) feet from storm drain inlet and must be free of debris.
- Leaves that are mixed with grass, branches, soil, etc. will not be picked up.

Residents not wishing to wait for their scheduled collection date can bring their brush/leaves to the conservation center during normal operating hours.

Curbside Recycling Schedule - September 14th, 28th; October 12th, 26th; November 9th, 23rd
